7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Specific facilities provided for women in terms of:

- a. Safety and security
- b. Counseling
- c. Common Rooms
- d. Day care centre for young children
- e. Any other relevant information

Govt Hamidia Arts and Commerce College is committed to upholding natural and constitutional rights, including gender equity. To foster a safe and inclusive environment, the college has established a Grievance Redressal and Women Empowerment Committee. This committee addresses discrimination and complaints, ensuring a supportive atmosphere for all. Orientation programs at the beginning of each session educate students on gender-sensitive issues, laws, human rights, and social challenges like domestic violence and dowry. NSS students actively engage in community outreach, providing guidance on women's empowerment and cybercrime prevention to local women. Additionally, street plays and awareness events are organized collaboratively with NSS volunteers.

International Women's Day is celebrated to highlight and promote gender equity. Furthermore, gender-specific content is integrated into various subjects' syllabi. The college actively implements government schemes and financial assistance programs, such as Gaon Ki Beti, to support girl children in rural areas.

To facilitate reporting and support, posters promoting gender equity are displayed, and a Complaint Box is available on campus. Contact information for committee members is prominently displayed, ensuring accessibility for students. Confidentiality is strictly maintained to encourage individuals to come forward with complaints without fear. The Career Guidance Cell also plays a vital role, organizing special lectures and mock interviews to enhance students' career prospects.

2. Special facilities

Special Facilities Available in the College Premises

Safety Measures:

The college premises are equipped with various safety measures, including fire extinguishers, emergency exits, and CCTV surveillance, to ensure the safety and well-being of all students, faculty, and staff.

Counselling Services:

Professional counselling services are available on campus to provide support and guidance to students facing personal, academic, or emotional challenges. Trained counselors offer confidential sessions to address individual needs and promote mental health and well-being.

Common Rooms:

Dedicated common rooms are provided for students to relax, socialize, and engage in extracurricular activities. These spaces are equipped with comfortable seating, recreational facilities, and study areas, creating a conducive environment for leisure and interaction.

Day Care Facilities:

For the convenience of student parents, day care facilities are available on campus to accommodate their childcare needs while attending classes or participating in college activities. Qualified caregivers provide a nurturing and safe environment for children during their time on campus.

Additional Information:

The college also offers facilities such as:

Wi-Fi connectivity across the campus to support academic research and communication.

Well-maintained sports facilities for students interested in athletics and physical fitness.

Accessible infrastructure and amenities to accommodate the needs of students with disabilities.

Regular health and medical check-up camps organized in collaboration with healthcare providers to promote student wellness.

These special facilities are provided to enhance the overall college experience and support the holistic development of students. For further information or assistance regarding these facilities, students are encouraged to contact the college administration.

Establishment of a dedicated counselling cell the Psychology Department

Introduction:

The Psychology Department is proud to announce the establishment of a dedicated Counselling Cell aimed at raising awareness of gender equity among students. This initiative reflects our commitment to promoting a campus culture that values diversity, inclusivity, and gender equality.

Purpose:

The primary objective of the Counselling Cell is to provide support and resources to students while fostering a deeper understanding of gender-related issues. By offering counselling services, workshops, and educational programs, we aim to empower students to challenge gender stereotypes, advocate for equality, and cultivate respectful relationships. It includes -

- 1. Individual Counselling:** Confidential counselling sessions will be available for students seeking support with gender-related concerns, including identity exploration, discrimination, and interpersonal relationships.
- 2. Group Workshops:** Interactive workshops will be conducted on topics such as gender stereotypes, healthy communication, consent, and bystander intervention. These workshops will provide students with a safe space to discuss gender equity issues and learn practical strategies for promoting equality.
- 3. Educational Programs:** The Counselling Cell will collaborate with student organizations, faculty members, and external experts to organize seminars, panel discussions, film screenings, and other educational events focused on gender equity and social justice.
- 4. Resource Centre:** A comprehensive resource centre will be established with literature, multimedia materials, and online resources related to gender studies, feminism and allyship. Students can access these resources to further their understanding of gender issues and engage in self-directed learning.

Outreach and Awareness Campaigns:

The Counselling Cell will actively engage in outreach efforts to raise awareness of its activities and promote gender equity across College campus. Outreach activities may include:

1. Distributing informational materials and flyers.
2. Organizing awareness campaigns during events such as International Women's Day.
3. Collaborating with student clubs and organizations to host awareness-raising activities and initiatives.

Feedback and Evaluation:

We are committed to continuously improving our activities based on student feedback and needs assessment. Regular evaluations and surveys will be conducted to gather input from students and assess the effectiveness of our programs. This feedback will inform future programming and ensure that our initiatives remain responsive to the evolving needs of the student body.

Conclusion:

The establishment of the Counselling Cell by the Psychology Department represents a significant step towards promoting gender equity and fostering a supportive campus environment. Through counselling services, workshops, educational programs, and outreach efforts, we are dedicated to empowering students to become advocates for gender equality and social change.

Woman Harassment Prevention Committee, Woman Morale Development Committee And Women Empowerment Committee

1. Woman Harassment Prevention Committee:

Purpose: This committee is established to prevent and address incidents of harassment against women within the institute or community.

Responsibilities:

1. Developing and implementing policies and procedures to prevent harassment, including sexual harassment, gender-based harassment, and discrimination.
2. Providing training and education on harassment prevention for employees or students.
3. Investigating complaints of harassment, ensuring confidentiality, and taking appropriate disciplinary action when necessary.
4. Providing support and resources to individuals who have experienced harassment, including access to counselling and legal assistance.
5. Monitoring and evaluating the effectiveness of harassment prevention measures and making recommendations for improvements.

Composition: The committee may include representatives from different departments of the college, including English, Arabic, Geography, and employee or member representatives.

Key Outcome: The creation of a safe and respectful environment where all individuals, particularly women, are protected from harassment and discrimination.

2. Woman Morale Development Committee:

Purpose: This committee focuses on enhancing the morale, well-being, and professional development of women within the institution.

Responsibilities:

1. Organizing programs and activities aimed at boosting morale and fostering a supportive community among women.
2. Providing mentorship, coaching, and networking opportunities for women to advance their careers and achieve their professional goals.

3. Advocating for policies and practices that promote work-life balance, flexibility, and inclusivity.
4. Recognizing and celebrating the achievements and contributions of women within the organization.
5. Conducting surveys and assessments to identify areas for improvement in supporting women's morale and well-being.

Composition: The committee may include representatives from different departments of the college, including English, Arabic, Geography, and employee or member representatives.

Key Outcome: The creation of a positive and empowering environment where women feel valued, supported, and motivated to succeed.

3. Women Empowerment Committee:

Purpose: This committee is dedicated to promoting the empowerment and advancement of women, both within the institute and in the broader community.

Responsibilities:

1. Developing and implementing initiatives to support women's leadership development, career advancement, and economic empowerment.
2. Advocating for policies and programs that address gender inequalities and barriers to women's participation and success.
3. Collaborating with external partners, such as community organizations and government agencies, to amplify efforts towards women's empowerment and gender equality.
4. Providing training, workshops, and resources on topics such as assertiveness, negotiation skills, financial literacy, and entrepreneurship.
5. Engaging in advocacy and awareness-raising campaigns to challenge stereotypes, promote diversity, and create a more inclusive society.

Composition: The committee may include representatives from various departments, women leaders, gender experts, community leaders, and external partners.

Key Outcome: The advancement of women's rights, opportunities, and leadership roles, leading to greater gender equality and social justice.

Overall, these committees play crucial roles in creating supportive environments, preventing harassment, enhancing morale and professional development, and promoting the empowerment of women within organizations and communities. By addressing these aspects comprehensively, organizations can foster inclusive cultures where women can thrive and contribute fully to their potential.

Installation of Fire Extinguishers

This is to inform all students, faculty, and staff that fire safety measures have been enhanced in the Department of Commerce and Computer Labs of Govt. Hamidia Arts & Commerce College, Bhopal.

Fire Extinguishers Installation Details:

- **Department of Commerce:** Fire extinguishers have been installed on the walls of the Department of Commerce to ensure the safety of occupants in the event of a fire emergency.
- **Computer Labs:** Fire extinguishers have also been installed in the Computer Labs to mitigate fire risks associated with electronic equipment and facilitate rapid response in case of a fire incident.

Importance of Fire Safety:

Fire safety is a critical aspect of maintaining a secure and conducive learning environment. These measures have been taken to safeguard the well-being of all individuals within the premises.

Emergency Preparedness:

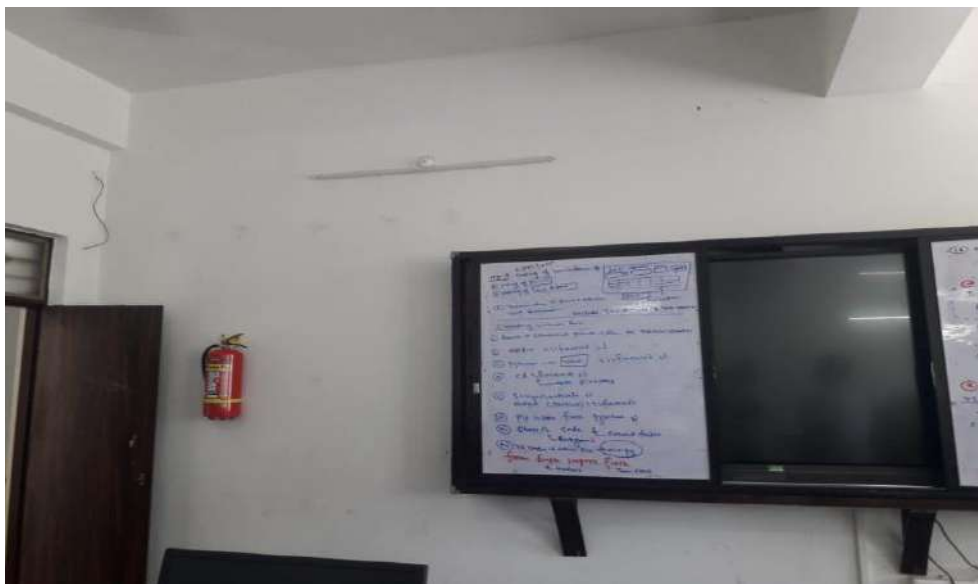

In addition to the installation of fire extinguishers, it is imperative that everyone familiarizes themselves with the location of fire exits and evacuation procedures. Regular fire drills will be conducted to ensure preparedness in the event of an emergency.

Report Safety Concerns:

If you notice any issues with the fire safety equipment or have suggestions for further improvements, please report them to the college administration immediately.

Let us all prioritize safety and contribute to maintaining a secure campus environment.

Govt Hamidia Arts & Commerce College, Bhopal

Installation of CCTV Cameras for Safety and Security

To ensure the safety and security of all students, faculty, and staff, we are pleased to announce the installation of CCTV cameras across the premises of Govt. Hamidia Arts & Commerce College, Bhopal.

Purpose: The installation of CCTV cameras aims to enhance surveillance and monitoring to prevent and address security-related incidents.

Coverage Areas: CCTV cameras will be strategically placed in key areas throughout the college campus, including entrances, corridors, parking lots, Classes, computer labs ,at the main entrance gate and common areas.

Monitoring: The CCTV cameras will be monitored by designated security personnel to ensure prompt response to any security concerns or emergencies.

Importance of CCTV Cameras:

- CCTV cameras serve as a deterrent to potential security threats and help in the detection and investigation of incidents.
- They contribute to creating a safer and more secure environment for everyone within the college premises.
- The presence of CCTV cameras promotes accountability and reinforces a sense of security among students, faculty, and staff.

Your Cooperation:

We kindly request all members of the college community to cooperate with the installation and maintenance of CCTV cameras. Your support is vital in ensuring the effectiveness of these security measures.

Report Any Concerns:

If you have any concerns or queries regarding the installation of CCTV cameras, please feel free to contact the college administration.

Let us work together to prioritize safety and security within our college campus.
