

NRC - Network Resource Centre

The college has developed a Network Resource Centre comprising of six computers with internet facility to create awareness and give exposure both to the staff and students about the use of computer in areas of research, examination, job opportunities etc. The Centre gives the faculty members an opportunity to keep themselves ahead with the latest trends of research and development in the field of higher education and research. In addition to this, the information and communication network helps the college to have access to multimedia material in teaching and learning at places of eminence in India and abroad.

AIM :- To provide free internet facility to the staff and students for the purpose of academic development and research.

OBJECTIVE :- To encourage and facilitate the staff and the students to make use of NRC facility.

POLICY :-

- To ensure discipline through proper adherence to stipulated time table.
- To ensure students' identity by checking their ID cards.
- To ensure that students follow Covid guidelines.
- To ensure that students follow rules set for entry into NRC like leaving bags, helmets, footwear etc outside the centre.
