## Jawahar Cancer Hospital - Counseling Centre Visit (14.12.2023)

The visit is being undertaken as a part of New Education Policy for undergraduate students on 14.12.2023. 15 students visited Jawahar cancer hospital with the objective of following

### Objective:

- ↳ To understand the Psychological impact of cancer diagnosis & treatment on cancer Patients.
- ↳ To gain insight about the role of Psychology in cancer patients care.
- ↳ To learn about the importance of Communication skills & therapy session in providing Psychological Support to cancer patients.
- ↳ To gain understanding about Psychological Symptoms faced by cancer Patients.

### Activities:

Dr. Sangeeta Singh (Psychologist) in Jawahar Cancer hospital gave a brief introduction about Psychological severity of cancer patients than she gave a Guided hospital tour of the cancer care facilities including chemotherapy rooms, radiation therapy areas & Patient support services.

PRINCIPAL  
Govt. Hamidia Arts & Commerce  
College, Bhopal

& Some Students got engaged in structured discussions with cancer patients to learn about their experiences and Psychological needs.

After the Discussion, Dr. Sangeeta Singh gave a detailed lecture on their role in cancer care & therapies they provide and also discussed about some case studies to illustrate various Psychological challenges faced by cancer patients & how therapy helped in their recovery process.

### OUTCOMES:

- ↳ Increased understanding of the Psychological impact of cancer on patients & their families.
- ↳ Students gained knowledge about Psychological support strategies & interventions used in cancer care.
- ↳ The visit increased Empathy & sensitivity among students towards cancer patients/ survivors & their family members.
- ↳ They got aware about Group therapy session, family therapy for cancer patients and Psychological need about cancer patients.

Students gained valuable insights into the Psychological aspects of cancer care & treatment.

ON BEHALF OF  
HOD, PSYCHOLOGY
