# About the Webinar

The webinar focuses on the theme: "Value-Based Education: Objectives and Effects", in alignment with the vision of the National Education Policy (NEP) 2020. NEP 2020 marks a transformative shift in India's educational framework—ushering in a holistic, flexible, multidisciplinary, and technology-integrated approach tailored to meet the evolving needs of the 21st century. Among its key pillars is the emphasis on Value-Based Education, which aims to nurture ethical, socially responsible, and emotionally intelligent individuals. This webinar will delve into the core objectives and anticipated impact of integrating value-based learning within the NEP framework.

**The Research Papers on the following sub themes are invited-**
